Subject: Daly Itinerary 11/21-11/25 and 11/28-12/2 2016

Hi:

Below is my itinerary for next two weeks. I believe I have revised my People Plus to reflect submitted leave (Doug, I had to fix 11/2/2016 since I originally had leave but then went to anti-harassment training). Terry, do we have a People Plus account number for the Steelworks Industrial Park Fire? Thanks
